Safety Form for Tools and Materials

State Fair SkillsUSA Virginia Auto Service Competition

The SkillsUSA Virginia Auto Technology Competition will involve the use of power tools, equipment and materials in completing the task within the competition. It is absolutely necessary that complete operating instructions and safety for the use of power tools, equipment and materials have been given to the contestant in the student's training program in the local school division as stated in the National SkillsUSA Standards before he competes. This includes the proper safety instruction in the use of the tools listed in the scope of the contest and the use of protective equipment while using the tools and materials. Safety glasses are required.

By the affixing of my signature below, I certify that my student, who is entering the Auto Service Competition at the State Fair, has had proper operating and safety instruction in the use of the power tools, equipment and materials.

(Instructor/Advisor Signature)

(SkillsUSA Virginia Chapter)

By the affixing of my signature below, I certify that I have used the power tools, equipment and materials to be used in the State Fair Auto Service Competition and that I understand the correct operating procedures and safety precautions for the use of this power tool, equipment and materials.
