

Television Video Production Contest Update (02/20/2024)

Please refer to the *SkillsUSA Championship Technical Standards 2023-2024*

The scope of the contest will be drawn from these standards.

Standards available at www.skillsusa.org

Contest guidelines call for students to “fully” produce (plan, write, record, edit and upload) a :60 video production. Students will be provided a prompt on the date they choose to perform the contest. Upon receiving the prompt they will have 4 hours to complete the production.

Submission of final production: Students will submit their final project in MP4 format on a flash drive at the completion of the contest.

Resumes required at check in contest morning. One-page type written résumé. The résumé will be 10% of the score. Resume rubric available at www.skillsusa.org Submission information will be provided.

Clothing requirement: Official SkillsUSA dress or professional dress

Contestant Cell phones may be used for capturing footage. Contestants should consider the final submission requirements before deciding to use phones for video purposes.
